

Happy Days Childcare

Preschool Newsletter

June 2018

Dear parents and carers,

Welcome back to the last half of the Summer term - where have the months gone? This always proves to be a busy time of the year and this term will be no exception. Our topics are twofold: firstly, we are continuing with our "**Awe & Wonder**" science experiments. The children have been experimenting with water in bottles to make musical notes with lots of huff and puff! Secondly we are "**Looking After Ourselves**" which includes healthy eating and exercise, so we should all be fit for the Summer!

Have a great June!
From all the staff at Happy Days

Dates at a glance:

Sat 16th June - Quiz Night
Mon 9th to Fri 13th July - Parent /
Keyworker meetings
Thurs 19th July - Fishes Summer Concert
Fri 20th July - End of Funding for non stretch
children
Tues 24th July—End of Summer Term

Privacy Notice

You will probably be aware of new General Data Protection Regulations (GDPR) being introduced in May 25th. Our Privacy Notice will be sent with your June invoices. You will also receive an "update letter" with information we have received from you. Please can you check these details and confirm that they are correct or provide us with any details that need correcting. Thank you.

Quiz Night

We will be having our quiz night for the grown ups on Saturday 16th June (7.00 for 7.30pm start) you can enter with a team of up to 8 or join a table. Tickets are £11 each and includes a fish & chip supper. There will also be a raffle. Please bring your own drinks and glasses.

Come along and support our fund raising event. This has always proved to be a fun evening in the past and all proceeds will go towards buying new resources in the garden (such as a playhouse) for the children at Happy Days Childcare.

Online Learning Journeys

We are now using Tapestry for online Learning Journeys. We are pleased with the way it performs and hopefully you will find it more straightforward too. (NB **School Leavers will remain on Connect**). We will email you a unique activation code for you to access your child's information. You will then be able to post comments and interact too. If you experience any issues please let us know.

Visits to Wickhambrook School

This year it has been decided that there will be some transitional visits to schools for the "rising 5s". Dates put forward are on 3 Friday afternoons in June, and these will be the 15th, 22nd and 29th. See the office for our lists for when your child will going.

Advance Notice Parent/ Keyworker meetings

During the week commencing 9th July we will be holding our annual parent/keyworker meetings. This is a good time to discuss any worries or queries you might have, although should always raise any concerns at any time with us! Please speak to your child's keyworker to arrange days and times. Please note, we can only do late appointments to 7.30pm on Monday 9th
