## Changes to Payment Dates from September

As of September all invoices must be paid **by the 8th of the month**. Thank you to all of you who have manage to do this already. It is very much appreciated.

Can those of you who pay with **childcare vouchers** please ensure your provider knows this as they often do not pay us on the day you think you have told them to! This has caused us considerable problems, so we will have to charge you 10% if they we do not receive payment by the 8th.

Also, we will only accept payments by cash, BACs and Tax Free Childcare. We can no longer accept cheques as we have had to make special trips to the bank during childcare time, and they can take up to 4-5 days before clearing.

We will always try to be approachable where there are genuine cases of hardship so do talk to us. This will, of course, be entirely confidential.

However, we need to be more vigilant with regards to future payment deadlines as there are many constraints being imposed on us by government.
